X.S.3

THE

Tropical Agriculturist:

JOURNAL OF THE CEYLON AGRICULTURAL SOCIETY.

FOUNDED 1881.

Vol. XLV.

Containing Numbers I to VI:
July to December, 1915.

PRINTERS & PUBLISHERS:
H. W. CAVE & CO.,
COLOMBO.

IMP. BUR. ENTOM.
— LIBRARY —
No. 566.

INDEX.

A

PAGE.

Absorptive Power of Soils ... 38
Acetic Acid 250
Acidity in Soils, Correcting ... 178
Action of Antiseptics on Crops ... 127
Agricultural Bank of South Africa, The Land and ... 193
Agric Dept., Madras, Expansion of the 137
Agricultural Facts and Figures, A Note-book of ... 199
Agricultural Implements and Machines 70
Agricultural Products of Peru ... 71
Agricultural Progress in India ... 62
Agricultural Society, Annual Meeting of the Ceylon ... 279
Agriculture, Dynamite in ... 262
Agriculture in Surinam ... 17
Ajowan Seed, Thymol from ... 305
American Cotton in India ... 249
American Rice Trade ... 351
Ant Extermination 425
Antiseptics on Crops, Action of ... 127
Apiculture : Comb Foundation for Bees 198
Apiculture : Bee-keeping in the West-Indies 50
Arabian Coffee in Uganda ... 306
Arecanut, The Sweet ... 3
Artificial Manures, The Use of ... 39
Azotobacter in Soils 104
Azotobacter, Stimulation of Nitrogen-Fixation by 352

B

Back to the Land 65
Bacterised Peat or "Humogen" ... 362
Banana Meal 251
Banana Suckers, Pruning and Treatment of 96
Bamboo as a Source of Pulp ... 108
Bees, Comb Foundation for ... 198
Bee-keeping in the West Indies ... 50
Beetle Fungus, Rhinoceros ... 150
Board of Agriculture, Minutes ... 202
Bones from Mysore, Crushed ... 104
Broody Hen, The 197

C

Cacao at the Experiment Station, Peradeniya 362
Cacao Fermentation 304
Cake from Groundnut 254
Carbon Dioxide and the Germination of Seeds 106
Castor Seed Cultivation in the West Indies 280
Catch Crop with Coconuts, Cassava as a 15
Cattle Clubs 195
Cattle, Fodder for 121
Cassava as a Catch Crop with Coconuts 15
Cassava Experiments 66
Cassava Industry in the West Indies 253
Cassava, Varieties of 129
Caustic Lime and Limestone ... 397

PAGE.

Cereals, Tillering of 69
Ceylon Agricultural Society, Annual Meeting, 1915 279
C. A. S. Board 202
C. A. S. Progress Report LXVIII 413
C. A. S. Report for 1914-15 ... 202
C. A. S. Statement of Receipts and Payments for year ending 31st December, 1914 200 & 201
Ceylon Cigarettes 219
Ceylon Coconut Industry, 1914 ... 148
Ceylon Produce in the Drug Trade... 37
Ceylon School Gardens ... 186
Changes of Nitrogenous substances during the Curing of Tobacco... 27
Chemical Changes in the Ripening Coconut 370
Chilaw Coconut Trial Grounds ... 151
Chillies, Cultivation of 321
Cigarette Paper 315
Cigarette Tobacco in India ... 314
Cigarettes, Ceylon 219
Cinchona 355
Cinnamon, A Disease of ... 321
Citrus Fertilization Experiments ... 168
Citrus Trees, Manuring of ... 320
Claying Cocoa 24
Coagulation of Latex, Some Scientific Aspects of 230
Cocoa Claying 24
Cocoa Experiments in British Guiana 25
Cocoa in America, Consumption of... 380
Cocoa in British Guiana ... 232
Cocoa Manuring Experiments in Dominica 23
Coconut, Chemical Changes in the Ripening 370
Coconut Cultivation in the Eastern Province 293
Coconut Cultivation in the Southern Province, A Note on ... 368
Coconut Experiments 148
Coconut Palms, Effect of Lightning on 224
Coconut Poonac, Analysis of ... 298
Coconut Ripening, Chemical Changes in the 370
Coconut Trial Grounds at Chilaw 151, 370
Coconuts, A Pest of 152
Coconuts at Maha Iluppalama ... 150
Coconuts at St. Lucia 296
Coconuts, Cassava as a Catch Crop with 15
Coconuts, Conservation of Moisture in the soil 149
Coconuts for Germination, Selection of 296
Coconuts in Porto Rico 297
Coconuts, "Gray Blight" of ... 151
Coconuts in British Guiana ... 228
Coconuts in the Dutch East Indies ... 77
Coconuts in the Solomon Islands ... 78
Coconuts, Industry, Ceylon, 1914 ... 148
Coffee 73
Coffee, Arabian, in Uganda ... 306
Coffee and Coffee Planting ... 310
Coffee in Abyssinia, Wild ... 155
Coffee in British Guiana ... 236

PAGE.

Coffee in Ceylon 156
Coffee in Porto Rico, Fungus Disease of 155
Coffee in Uganda, Arabian ... 306
Coffee, Preparation of 233
Coffee, The Cultivation of ... 35
Coffee, Uganda 76
Comb-Foundation for Bees ... 198
Commelina Nudiflora 68
Comparison of Tillage and Sod Mulch 349
Composition and Value of Liquid Manures 181
Concrete, Notes on the Making of ... 346
Conservation of Moisture in the Tropics, Dry Zone Farming and the 355
Consumption of Cocoa in America ... 380
Consumption of Rice in America ... 351
Control of Flies in Rural Districts ... 430
Co-operation in Ceylon, Progress of 277
Co-operation in India 401
Co-operation in India, Progress of ... 195
Co-operative Societies, Rural ... 406
Correcting Acidity in Soils ... 178
Cost of Production of Plantation Rubber 377
Cotton Cultivation, Hints on ... 92
Cotton Cultivation, New System of ... 353
Cotton in British Colonies ... 162
Cotton in India, American ... 249
Cotton in the British Empire ... 163
Cotton, The Cultivation of Sea Island 34
Crops, Action of Antiseptics on ... 127
Crops in Jaffna, Rotation of ... 289
Crops, Inoculation of 258
Crushed Bones from Mysore ... 104
Cuba, Sugarcane in 241
Cultivation of Chillies 321
Cultivation of Coffee 35
Cultivation of Sea Island Cotton ... 34

D

Destruction of Fly Larvæ in Horse Manure 352
Destruction of Rubber by Microbes... 230
Determining the Capillary Pull of Soils 333
Die-back of Lime Trees in Montserrat 423
Disease of Cinnamon 321
Disease of Hevea 230
Disease of Plantain 164
Disease of Potato ... 192, 363
Draft Prospectus of the School of Tropical Agriculture, Peradeniya 187
Draining and Irrigating Rice Crops 381
Drug Trade, Ceylon Produce in ... 37
Dry Land Sorghum, A new, "Kaoliang" 367
Dry Zone Farming and the Conservation of Moisture in the Tropics 355
Dynamite in Agriculture ... 262

E

Economic Plants, Names of Tropical 354
Economic Products, Report on some 136
Effect of Lightning on Coconut Palms 224
Effect of Palm Oil Cakes upon Milk Production 110
Effect of Radium on the Growth of Plants 422
Effect of Smoke and Gases on Vegetation 258
Effect of Transplanting upon Rice Production 64
Empire's Resources in Paper-making Materials 107
Entomology, Preventive ... 281
Estate Water Supply 111
Expansion of the Madras Agricultural Department 137
Experiment in Planting Sweet Potatoes 252
Experiment on the Tapping of *Hevea Brasiliensis* 378
Experiment Station, Peradeniya, Cacao at the 362
Experiment with Rubber, Planning of 18
Experiment with various types of Lucerne 291
Extermination of Ants 425
Extermination of Rats 79
Evaporation of water from soil ... 44

F

Fermentation of Cacao 304
Field Tests of Soy Beans, 1914 ... 251
Flax, Manuring 177
Flies in Rural Districts, Control of ... 430
Fluctuations in Nitrate Content of Soils 103
Fly Larvæ in Horse Manure, Destruction of 352
Fodder for Cattle 121
Food Societies, Village War ... 345
Food Supplies in Time of War ... 337
Fungus, Rhinoceros Beetle ... 150
Fungus Disease of Coffee in Porto Rico 155

G

Ganja, Bhang, Hashish ... 269
Garden Soils... 39
Gases and Smoke on Vegetation, Effect of 258
German substitutes for Raw Materials 229
Germination of Seeds, Carbon Dioxide and the 106
Ginseng Cultivation 270
"Gohine" Rubber 90
Grafting Tape 223
Grape Fruit, The 17
"Gray Blight" of Coconuts ... 151
Green Manuring 185
Green Manuring before Paddy ... 383
Green Manuring Experiment at Rothamsted 98
Groundnut Cake 254
Growth of Plants in Partially Sterilized Soils 97

H

Hen, The Broody 197
Hevea Brasiliensis, Experiments on the Tapping of 378
Hevea, Diseases of 230
Hevea in Dahomey Colony ... 90

PAGE.

Hevea, Nodules in 153
Hevea on the Amazon, Planting ... 375
Hints on Cotton Cultivation ... 92
Horse Manure and House Flies ... 400
House Flies and Horse Manure ... 400
"Humogen" or Bacterized Peat ... 362

I

Implements and Machines, Agricultural 70
India as a Source of Paper-making Material 272
India, Agricultural Products of ... 62
Influence of Salt 43
Influence of Soil on Tobacco in Java 386
Influence of Weather on Soils ... 174
Injurious Action of Heavy Dressings of Lime on Moor Soils ... 332
Inoculation of Crops 258
Irrigating and Draining the Rice Crop in California 381

J

Jaffna, Rotation of Crops in ... 289
Java, A Run Through 428
Java, Sugarcane in 241
Jute Plants, The Two 33

K

"Kaoliang," a New Dry Land Sorghum 367
Killing Timber by Ringbarking and Poisoning 126

L

Land and Agricultural Bank of South Africa 193
Land for Tobacco, Selection and Preparation of 80
Largest Trees in the United States ... 363
